Allahabad Law Agency®

FRAUD ALERT

Investigations into complaints of mismatched editions, shoddy print quality and uneven book quality have shown that an alarming number of fake or pirated books are being sold to students and are even being supplied to educational institutions, offices and libraries as genuine books.

BEWARE OF

- ❖ Books without a hologram.
- ❖ Excessive Discounts.
- ❖ Smudgy or bad print quality.
- ❖ Books that fall apart.
- ❖ Mismatched editions and pricing with outdated content or missing updates.
- ❖ Book-sellers who do not guarantee delivery of genuine books.
- ❖ Book-sellers who do not offer or provide a bill.

Send information/complaint(s) about fake/pirated books to piracycomplaint@protonmail.com or 9310070229.

You can also mail us at our registered address.
Confidentiality will be maintained.

“

Buying pirated books not only supports illegal activities but also violates copyright laws, which can have serious legal consequences. It's important to recognise the ethical implications of such purchases as well. Supporting legitimate publishers and authors ensures that creators are compensated for their work, which ultimately contributes to the availability of quality resources in the long run.

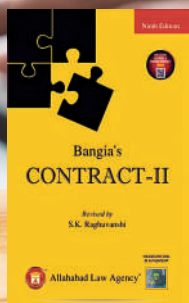

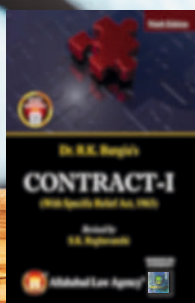

”

Allahabad Law Agency®
LAW BOOK PUBLISHERS

Poor print quality can be a major obstacle to effective studying. Missing pages, blurred text, and bad formatting can lead to confusion and frustration. To improve your study experience, consider sourcing materials from reputable publishers, checking for reviews on the quality of printed resources.

Poor Quality

Good Quality
