# BEWARE OF PIRATED BOOKS

“

Buying pirated books not only supports illegal activities but also violates copyright laws, which can have serious legal consequences. It's important to recognise the ethical implications of such purchases as well. Supporting legitimate publishers and authors ensures that creators are compensated for their work, which ultimately contributes to the availability of quality resources in the long run.

”

**Allahabad Law Agency®**  
LAW BOOK PUBLISHERS

Poor print quality can be a major obstacle to effective studying. Missing pages, blurred text, and bad formatting can lead to confusion and frustration. To improve your study experience, consider sourcing materials from reputable publishers, checking for reviews on the quality of printed resources

**Poor Quality**

**Good Quality**
